

# The Governor John Wood Memorial Plaza

## History is about Remembering and Honoring . . .

The Governor John Wood Memorial Plaza on the HSQAC 12th Street campus provides members a way to memorialize predecessors and loved ones.

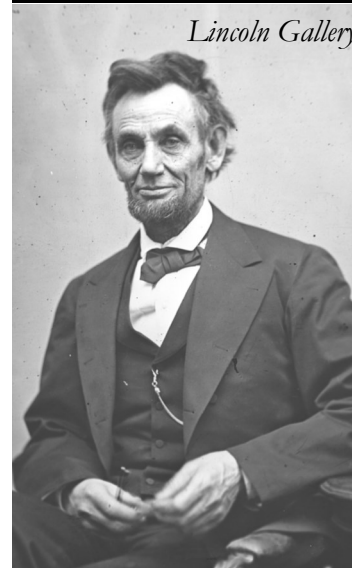

**Memorial recognitions** are awarded without charge when a member first reaches the Builder (\$100) level and/ or the minimum amount for each higher level.

**Our unique cumulative giving program** enables members to qualify for the next memorial recognition at no charge when their accumulated membership contributions reach the next membership level. Members who renew memberships at any qualifying level may buy any additional memorial pavers for the cost of the paver and inscription.

**Questions?** Call 217-222-1835.

Enroll online at [www.hsqac.org/membership](http://www.hsqac.org/membership) or use the form below.
